Graham Group, Inc.

Dear Mark,

I wish I could say I write these letters often, but that is not the case these days. It is refreshing to work with a company with old fashion values, the highest quality of workmanship and have fun along the way.

When we started this project with Dee Zee late last year I would have never guessed we would be in the building and ahead of schedule like we are today. I want to thank you and all the fine people at the Graham Group for delivering on your promises.

It has been a pleasure working with your company and if I can ever give you a recommendation for a future client please let me know. Thank you.

Sincerely,

Belco Industries, Inc.
